

Please allow me to take this opportunity to express our appreciation for the business relationship we have formed with the Anders Group over the past several years.

Often times when a vendor calls on you they are interested in only one thing, and of course that is making the sale. We at Tankersley Food Service find the Anders Group not only to be a provider of goods and services but also a partner in our business. The products are always exactly what meet our needs, we find the pricing more than fair and always the service is second to none.

We would proudly recommend that anyone needing the type of products and services the Anders Group provides to give them a try. We are sure you will find them to be an honest and integrity driven company.

Sincerely,

Rick Climer
